

Path to Discovery: Up to 3 Months of Support

To start: Review and analysis of daily Food and Mood Journal

Health History Questionnaire

Nutritional Assessment Questionnaire (comprehensive symptom survey)

Nutritional Therapy Disclaimer/Consent Form

After completing and submitting all of your new client paperwork we will schedule a time for your first video appointment.

We will then spend 90-minutes reviewing all relevant symptoms, health history, and lifestyle factors

Generate a comprehensive written protocol for you including:

Customized nutrition, lifestyle, and supplement recommendations

Supplementary resources such as meal templates, shopping lists, books/reading materials, worksheets, etc.

Motivation and behavioral strategies for accountability and lifestyle changes

Referrals when appropriate.

Upon initial sign up, you receive 35% off your INITIAL order of supplements. *All subsequent orders, are at full cost.*

This package includes 2 one-to-one video sessions (follow up sessions are 30 minutes), weekly support of 1 weekly checkin via text or email. If you would like unlimited support between sessions, you can choose one 30 minute followup rather than 2 follow ups.

We will adjust supplements based on resolved symptoms or those in need of different support, at any point during our sessions.

Cost: \$475 includes upon initial sign up, you receive 35% off your INITIAL order of supplements. All subsequent orders, are at full cost.
